

On August 10, 2010 the Division of Workers' Compensation published amended regulations to medical provider networks and employee information. The following summarizes the new requirements

1	This gets posted →	"If A Work Injury Occurs" Poster	Updates the old poster with MPN information (Some carriers believe only one poster is necessary and have merged all req info into DWC-7)
2	This gets posted →	New DWC-7 Poster	New Poster now required
3	This gets posted →	Notification of Rights Regarding MPN	New, must be posted next to DWC-7 Poster
4	Employee Notice →	MPN Implementation Notice to Employees	Content provided by carrier, one time payroll stuffer or email to all employees, and thereafter all new employees
5	New Hire Pamphlet →	Employee's Guide to Workers' Compensation	Pamphlet has been updated with MPN information and becomes part of your new hire package for all new employees
6	For Injured Workers →	WC Claim Form	Claim Form has been updated with information about the claim process including MPN information

Note:

If you make a change from one Workers' Comp carrier to another, you will need get updated material from your new carrier and go through these steps again.

Recommended steps for implementation vary slightly between Insurance Carriers. You may get specific information about this from your carrier's website, or by calling your Archway representative.
